THE ROUTE

Starting from Sami, after passing the Roman Baths and the old church (1907), we ascend along ancient paths to the impressive Acropolis of Ancient Sami, with breathtaking views over the Ionian Sea.

We continue to the medieval Monastery of Agioi Fanentes ("Kiatida"), a serene and historic place.

The trail leads us to the Cave of the Three Hermits, inside a natural rock shelter.

We return to Sami following a different path, walking beneath the full moon.

At the finish of night walk in the forest, after visiting an old, ruined village, we board to the bus.

The excursion ends at JECCA food & drink truck with souvlaki, beer, and a hidden WWII shelter.
